

Good morning Chairman Murphy,

**I am writing to you this morning to urge you to vote favorably on HB 1111 and all other bills dealing with collision labor reimbursement rate.**

My wife and I own and operate a collision repair shop in Marlborough, MA. We are in desperate need of a fair and reasonable reimbursement rate. Our rate has increased a total of \$10 in over 34 years. We have the lowest reimbursement rate in the nation and that needs to change NOW.

Again, please vote favorably on HB 1111 and all other bills dealing with collision labor reimbursement rate.

Thank you,

Anthony Nesbitt
